Offer Letter

Dear Akash,

We are delighted to offer you the position of **Python Developer** at Baoiam Innovations Private Limited. We are excited about the potential contributions you will bring to our team. Your expertise and commitment are key to our goal of establishing a successful and impactful product in the market.

Position: Python Developer
Department: Software Development Department
Reporting To: Laxmi Choudhary, Senior Project Manager
Annual Compensation (CTC): Rs. 8,00,000 per annum

1. Terms and Conditions:

- **Probation Period:** You will be on probation for 90 days from the date of joining. During this period, either party may terminate the employment with 15 days' notice.
- **Notice Period:** Post-probation, you must serve 45 days of notice period upon the resignation or termination of your job role.
- **Work Hours:** Your regular working hours will be from 9:00 AM to 6:00 PM, Monday to Friday, with rotational offs as assigned by your manager. Any work beyond these hours will be compensated as per company policy.
- **Leave Entitlement:** You are entitled to 1 day of leave per month and 5 days of sick leave during the period of your probation period.
- **Job Location:** Your primary work location will be hybrid mode. You may be required to travel as per business needs.

2. Responsibilities:

As a Python Developer, your responsibilities will include:

- **Web Application Development:** Design, develop, and maintain scalable web applications using Python frameworks (such as Django or Flask).
- **REST API Development:** Build and maintain secure, scalable, and well-documented RESTful APIs.
- **Database Management:** Design, implement, and manage databases (SQL/NoSQL), ensuring data integrity, security, and performance optimization.
- **Backend Development:** Develop robust server-side logic and integrate it with frontend components.
- **Frontend Integration:** Collaborate using HTML, CSS, and JavaScript to ensure seamless user experience.
- **Performance Optimization:** Write efficient, scalable code and optimize applications for speed and reliability.
- **Debugging & Maintenance:** Identify bugs, troubleshoot issues, and maintain application stability.
- **Collaboration:** Work closely with cross-functional teams including designers, frontend developers, and product managers.
- **Testing & QA:** Participate in unit testing, integration testing, and ensure high-quality deliverables.

3. Confidentiality and Non-Disclosure Agreement:

Upon joining, you will be required to sign a non-disclosure agreement (NDA). The NDA will include the following key points:

- **Confidential Information:** You agree to keep confidential all proprietary information, trade secrets, and business strategies.
- **Non-Disclosure:** You will not disclose any confidential information to any third party without prior written consent from the company.
- **Non-Compete:** From the date of joining till the date of completion of your job role with us, you agree not to engage in any business that competes with Baoiam Innovations Private Limited.
- **Return of Property:** Upon termination of your job, you will return all company property, including documents, files, and equipment.

We are confident that your skills and experience will be a valuable asset to our team and look forward to the positive impact you will bring. Please sign and return a copy of this offer letter by 31st March 2026 to confirm your acceptance.

For any inquiries, clarifications, or verification, please do not hesitate to contact **Parul Arora** via email at **hr@baoiam.com**.

Best Regards,

Parul Arora
